

Australian Open Polytechnic Scholarship

Australian Open Polytechnic (AOP) Scholarship is awarded to students from all backgrounds. The scholarship provides opportunity for all students irrespective of the nationality, age, gender and ethnic background to access tertiary education. The AOP scholarship provides 40% fee waiver based on students meeting certain criteria. The scholarship recognises three key areas including:

- i. Academic or professional achievement;
- ii. Prior disadvantage in access to tertiary education;
- iii. Motivation and social impact of tertiary education attainment.

Prospective students may be eligible for 40% fee waiver. At the time of application, students are required to apply for the scholarship by addressing the following key criteria. They include:

1. Student motivation to undertake the course (100 words)
2. How the course will improve career outcome(s) of the student? (50 words)

AOP will assess the scholarship application plus the student application to study. AOP may organise online meeting if required to gain further information. Successful students will receive 40% waiver of the total fees amount.

Scholarship Conditions

The scholarship comes with several conditions. They include the following:

- Students have high academic achievement and they are able to pass all units of study in each term of study;
- Students pay the tuition fees (minus 40% fee waiver) in each term of study;
- Students become brand ambassadors and help to promote AOP in their home country;
- Students become an active alumni of AOP.
